Learning and development

How children can be part of two families and feel ok.

Many children and young people who live away from their biological families are able to 'catch-up' with them throughout the year.

Carers have an important role in supporting children and young people with family access.

This session will provide strategies to prepare and assist children and young people - so they can be part of 2 families and feel ok.

WHEN

Monday October 14 2019
Training: 6:00pm–9:00pm

WHERE

Anglicare
47-51 Castella Street
Lilydale VIC 3140
