Learning and
development

This workshop explores the importance of being in 'thinking mind' mode when the children you care for are struggling.

In doing so, Carers can accurately assess what is happening in the internal world of the child or young person at that moment, and respond in ways that will assist to reduce trauma and feelings of low self esteem.

Practical interventions will be discussed and demonstrated.

WHEN

Friday June 21 2019
Training: 9:00am–3:00pm

WHERE

MDAS Community Hall
120 Madden Avenue
Mildura VIC 3500
